# **Agenda Supplement**

TO: President Reid; Board of Trustees

FROM: Mo Khan, Assistant Village Manager for Development

FOR: Village Board Meeting on August 6, 2025
RE: PZC-25-07 - 135 W. Oak Knoll Dr. - Variances

**Background:** Resource Bank is seeking to re-install the sign that was removed when the Illinois Department of Transportation (IDOT) begin working on the widening of Illinois Route 72/West Oak Knoll Drive. The widening of the roadway resulted in Resource Bank losing land along its frontage on Illinois Route 72/West Oak Knoll Drive. To reinstall the sign in the same location required a variance for setback and additional variance is being requested for the sign height in order to make it visible from Illinois Route 72/West Oak Knoll Drive.

The Petitioner is requesting two variances:

- 1. Request for Variance to Sec. 6-12-4-C-1-b of the Hampshire Zoning Ordinance to permit a sign setback of two feet (2'), whereas the minimum required setback is fifteen feet (15').
- 2. Request for Variance to Sec. 6-12-4-C-3 of the Hampshire Zoning Ordinance to permit a sign height of twelve feet (12'), whereas the maximum allowed height is five and one-half feet (5.5').

**Planning & Zoning Commission Recommendation:** The Planning & Zoning Commission held a Public Hearing on the matter on July 14, 2025 and recommended approval of the variances by a vote of 4-0

The Planning & Zoning Commission found that the petitioner met the standards of approval (Findings of Fact) since the sign had to be removed due to IDOT roadwork. The loss of land put the previous location of the sign closer to the property line and the construction of the berm by IDOT resulted in the loss of visibility of the sign from Illinois Route 72/West Oak Knoll Drive.

**Public Comments:** A public comment was provided by the property owner across the street from the subject property, Mr. Raymond Emery at 134 W. Oak Knoll Dr. Mr. Emery objected to

the variances due to concerns of the light that would be emitted from the sign during nighttime.

**Recommendation:** For the Village Board to consider the Planning & Zoning Commission approval recommendation of the variances to Sec. 6-12-4-C-1-b (sign setback) and Sec. 6-12-4-C-3 (sign height) of the Hampshire Zoning Ordinance.

#### **AGENDA SUPPLEMENT**

**TO:** Planning & Zoning Commission

FROM: Mo Khan, Assistant Village Manager for Development

FOR: Planning & Zoning Commission Meeting on July 14, 2025

RE: PZC-25-07 - 135 West Oak Knoll Drive - Variances

**PROPOSAL:** Karen Dodge (Petitioner) on behalf of Resource Bank NA (Owner) is requesting the approval of the following to construct a monument sign:

- 1. Request for Variance to Sec. 6-12-4-C-1-b of the Hampshire Zoning Ordinance to permit a sign setback of two feet (2'), whereas the minimum required setback is fifteen feet (15').
- 2. Request for Variance to Sec. 6-12-4-C-3 of the Hampshire Zoning Ordinance to permit a sign height of twelve feet (12'), whereas the maximum allowed height is five and one-half feet (5.5').

**BACKGROUND:** The property owner previously had a ground monument sign in the proposed location that was removed when the Illinois Department of Transportation

(IDOT) made roadway improvements to Oak Knoll Drive/IL Route 72. The IDOT improvements resulted in loss of land along Oak Knoll Drive and a berm being installed.

The property owner is requesting variances to install a new ground monument sign in the same location as the previous sign was located.

**ANALYSIS:** The subject property is approximately 0.72 acres (31,363 sq. ft.) and is located at the southeast corner of Oak Knoll and Schmidt Drives. The subject property is improved with an approximately 5,800 sq. ft. single-story commercial building that is used a bank.

The subject property is zoned B-2, Community Business District.

The following are the adjacent property zoning and uses:

North: F-1, Restricted Farming District - Residential

South: B-2, Community Business District - Commercial Strip Mall East: B-2, Community Business District - Commercial Strip Mall West: B-2, Community Business District - Vacant/Undeveloped

Zoning Bulk Standards: The zoning bulk standards for signage is provided below:

Code Section	Description	Required	Proposed
Sec. 6-12-4-C-1-b	Setback	≥ 15 ft.	2 ft.
Sec. 6-12-4-C-2	Area	≤ 60 sq. ft.	43.33 sq. ft.
Sec. 6-12-4-C-3	Height	≤ 5.5 ft.	12 ft.

**REQUIRED FINDINGS OF FACT:** The following are the required findings of fact for a Variance per Sec. 7-5-7-A-2:

- 1. Because of the particular physical surroundings, shape or topography conditions of the specific property involved, a particular and extraordinary hardship to the owner would result, as distinguished from a mere inconvenience, if the strict letter of the regulations was carried out.
- 2. The conditions upon which the request for a variation is based are unique to the property for which the variation is sought and are not applicable, generally, to other property, and have not been created by any person having an interest in the property.
- 3. The purpose of the variation is not based exclusively upon a desire to make more money out of the property.

4. The granting of the variation will not be detrimental to the public safety, health, or welfare, or injurious to other property or improvements in the neighborhood in which the property is located.

# **PROPOSED FINDINGS OF FACT:** The proposed findings of fact shall be as follows:

- 1. The subject property does have unique physical surroundings. When IDOT expanded Oak Knoll Drive a berm was installed that hides the view of the building and the proposed sign if it were built to what the code allows.
- 2. The request is being made due to new topographic conditions created by the widening of Oak Knoll Drive by IDOT, which decreases the visibility of a sign built per the zoning ordinance.
- 3. The proposed variance is being requested due to changing topographic conditions rather than to increase property value.
- 4. The proposed variance will not be detrimental to the public safety or general welfare as the sign will not inhibit view of traffic on Oak Knoll Drive.

**PUBLIC COMMENTS:** Village staff has not received any public comments regarding this petition as of July 9, 2025.

**STAFF RECOMMENDED CONDITIONS OF APPROVAL:** Village staff is not recommending any conditions of approval.

## **RECOMMENDED MOTION:**

I move to accept and adopt Staff's Findings of Fact included in the Agenda Supplement and recommend approval of PZC-25-07 for variances to Sec. 6-12-4-C-1-b to permit a sign setback of 2 ft. and Sec. 6-12-4-C-3 to permit a sign height of 12 ft.

# Village of Hampshire Variance – Finding of Facts

1. That the property in question cannot yield a reasonable return if permitted to be used only under the conditions allowed by the regulations governing the district in which it is located, and that the variation, if granted, will not alter the essential character of the locality

Response: Due to IDOT'S taking of the land, we can not meet the setbacks,

2. That the plight of the owner is due to unique circumstances and that the variation, if granted, will not alter the essential character of the locality

Response: the Sign is existing and should not alter the character.

#### AGENDA SUPPLEMENT

TO: President Reid and Village Board

FROM: Lori Lyons, Finance Director

FOR: August 6, 2025 Village Board Meeting

**RE:** 2025 Paving Projects

**Background.** The FY26 budget included Road and Bridge Fund expenditures in the amount of \$130,000.00 supplemented with \$155,750.00 in transportation funds for paving projects for portions of Jake Lane, Jackson Avenue, Highland Avenue, Madison, Avenue, West Jefferson Avenue, and the gravel alley behind Grace Street.

Analysis. The formal bidding process requires engineering to assist with the preparation of plan documents, bid specifications to describe the components of the project, advertising, opening, etc., which would add a substantial cost to the project. With relatively uncomplicated projects such as these and in place of the formal bidding process, the Board has frequently reviewed and accepted quotes from paving contractors. Staff was successful in obtaining quotes from three known and reliable contractors for this work.

A table of the quotes received follows this agenda supplement. With all three of the contractors known by the Village, Staff believes that it would be in the best interest to accept the quote provided by Schroeder Asphalt for \$242,989, the lowest quote obtained.

**Recommendation.** Staff requests the Board waive the formal bidding requirements for the paving projects per the attached and authorize staff to accept the quote submitted by Schroeder Asphalt Services, Huntley in the amount of \$242,989.00 to be paid for out of the Road and Bridge Fund and the Transportation Fund as follows:

Road and Bridge Funds \$130,000.00 Transportation Funds \$112,989.00 \$242,989.00

A resolution for approval follows this agenda supplement.
